

BLASTING

In order to conduct blasting operations within the City of Roseburg a developer must first obtain a permit at least twenty-four hours prior to beginning said blasting.

Designated Transportation Routes. It shall be unlawful for any person to transport explosives over any City street not designated as an explosive transportation route pursuant to this Section. Explosives shall not be transported over any City street, including but not limited to, designated explosive transportation routes, between the hours of seven a.m. and eight-thirty a.m. and four p.m. and six p.m., Monday through Friday. There shall be absolutely no use of the Washington Street Bridge or Oak Street Bridge for the transportation of explosives. No person shall leave a vehicle carrying explosives unattended at any time at any location within the City. The following routes shall be considered designated explosive transportation routes for purposes of this Section:

1. Those portions of Interstate 5 lying within the City limits;
2. Diamond Lake Boulevard;
3. Stephens Street from Diamond Lake Boulevard north to City limits;
4. Edenbower Boulevard from NE Stephens Street to Interstate 5;
5. NE Stephens Street from Diamond Lake Boulevard South to Pine Street;
6. Pine Street South to City limits; and
7. SE Stephens Street from the South City limits to Diamond Lake Boulevard.
