### ISSUE STATEMENT AND SUMMARY

This will be the Council's third goal setting session with the intent of adopting goals and action items for 2020-2022.

### BACKGROUND

#### A. Council Action History.

On November 12, 2019, the Council held a special work session to discuss the 2020-2022 Goals. The Council approved six goals but asked staff to propose amended language for the sixth goal. On December 3, 2019, the Council held a special work session and approved the language of the sixth goal.

#### B. Analysis.

The six goals that the Council agreed on are as follows:

1. **Develop and implement policies to enhance housing opportunities.**
2. **Implement transportation funding policies to meet identified community needs.**
3. **Enhance community livability and public safety.**
4. **Take a proactive role in economic development and community revitalization.**
5. **Update and implement the City's Emergency Preparedness Plan.**
6. ***Explore strategies to address issues related to unhoused individuals within the community.***

At the December 3<sup>rd</sup> meeting, the Council considered and approved action items for the first four goals listed above. Below are listed staff's preliminary action items for goals five and six.

**Goal 5: Update and implement the City's Emergency Preparedness Plan**

- Improve community awareness
- Improve organization's preparedness
- Analyze critical infrastructure and prioritize needed improvements
- Collaborate with Community Partners on critical incident/disaster preparedness
- Improve employees' home preparedness to increase ability to respond

**Goal 6: Explore strategies to address issues related to unhoused individuals within the community**

- Identify City's role in unhoused crisis
- Continue participation/support for LPSCC & sobering center
- Work with ADAPT towards sustainable funding for crisis intervention
- Streamline process for lien/tax foreclosures and partner with developers of low income/government subsidized housing to create affordable housing

**C. Financial/Resource Considerations.**

The financial and/or resource considerations for each goal and action item vary.

**D. Timing Considerations.**

Staff will begin the budget process in late January 2020. Having goals adopted prior to that effort will facilitate the process.

**COUNCIL OPTIONS**

The Council has the following options:

1. Direct staff to bring back a resolution to adopt the 2020-2022 Goals (the overarching goal statements number 1-6 above) as presented; or
2. Direct staff to make changes and bring back a resolution for consideration at the next Council meeting; or
3. Provide different direction to staff.

**STAFF RECOMMENDATION**

Staff is seeking direction from Council.
